General Comment

Please stop this ridiculously proposed plan. I have spent time trading options for many years and it is one of the best ways to protect my retirement account available to the individual. Without it the individual doesn't stand a chance. Only Wall Street and the like would benefit. Please don't take away another freedom. As a baby boomer, I don't have a lot of options, no pun intended, to protect and secure my retirement. I don't want to become another ward of the state. Thank you.
